Old Business: None.

New Business The Executive Director discussed the recent increase in the facility's 5 star rating. The facility recently was awarded 4 stars for the previous quarter. The facility under the current administration had never been higher than 2 stars before this quarter. This was due in large part to how the nursing surveys are weighed from the previous three years. This past quarter's rating was the first quarter in which the current administration was judged only on its own surveys and not that of the previous administration. E.D. stated that he has never administrated the facility with the star rating in mind but is very pleased that the staff's hard work and fantastic care was now being recognized. Chairwoman Jones asked the E.D. to please pass on the committee's congratulations on the accomplishment to the staff. The E.D. stated he certainly would.

Public Comment: Tom Corbin asked how the census was going and if the facility was still doing furloughs. The E.D. stated that in the last week and a half, the facility has seen a small surge in admissions and there appears to be no indication that this trend

will end anytime soon. Based on this the Financial Director and E.D. had decided to end furloughs at the beginning of this week.

Executive Session: None.

The next meeting date is June 3, 2021 at 8:00 am for payroll approval.

Carroll made a motion, seconded by Jones to adjourn the meeting at 8:08 am. Motion approved.
