Introduction

Since 1984, Piatt County Services for Seniors (PCSS) has been assisting adults (60+) with many helpful area social service agencies. PCSS also serves the needs of persons with disabilities.

PCSS is partially funded by the East Central Illinois Area Agency on Aging. Financial support is also provided by local government and various service clubs, businesses, and voluntary contributors. PCSS guides its clients toward resources that meet the client's personal needs. Seniors, disabled persons, their families, and health care providers may

contact the PCSS office directly for assistance. PCSS can provide the following kinds of help:

- Health Care
- Housing
- Nutrition
- Financial

PCSS can provide services in the senior's home or in the PCSS office located at 1115 N. State St., Monticello, IL 61856.

To learn more, call **217-762-7575**, ext. 1 or 2.

All information will be kept confidential and will not be disclosed unless they request that PCSS do so. PCSS does not discriminate in admission to programs or treatment of employment in programs in compliance with the Illinois Human Rights Act, the US Civil Rights Act, Section 504 of the Rehabilitation Act, the Age Discrimination in Employment Act, and the US and Illinois Constitutions. If you feel you have been discriminated against, you have the right to file a complaint with the Illinois Department of Aging. For information, call 1-800-252-8966 (voice and TDD).
